

Capital Improvement Projects 2016

Division:	Residential Streets
Project Name:	42nd Ave S/Allentown Roadside Barriers
Location:	42nd Ave S and S 115th St
Description:	Installation of guardrail or barrier between the Duwamish River and the adjacent streets of 42nd Ave S and S 115th St in Allentown. Several sections are recommended for guardrail/barrier installation.
Funding:	City Revenue, 103 Residential Street Fund
Project Status:	Design initiated in 2014, with residents requesting timber guardrails. Construction of critical section completed March 2016. Additional sections dependent on budget as grant unsuccessful.
Estimated Timeline:	Design in 2014 with construction of critical area completed in 2016.
Project Number:	91310301
Project Manager:	Scott Moore
Last Updated:	3/28/2016
