

Tukwila Parks and Recreation has joined forces with the **Rotary Club of SeaTac-Tukwila** for the **2022 Spirit of Giving Campaign**. Together, we can reduce financial stress for caregivers and help create a time of ease and joy for Tukwila children.

**Why help?**

- This is your chance to help Tukwila families in need as we enter the winter season.
- This program relies on \$40,000 (in gifts and cash for care packages) to help 175 families and 350 kids in Tukwila this December.
- Special toys, cozy items, hygiene essentials, and gift cards to ensure a healthy, happy winter.

Last year this program helped over 300 children. This year let's help even more children! Together, WE can support this important giving program. ***This is how you can help Tukwila children:***

**Host**

Host a personalized event. Download our promotional poster at our website.

- Cozy Item Drive (blankets, mittens, gloves, hats, scarves, and socks)
