Unbeknownst to me or the contractor electrical permit EL17-0058 was only approved with conditions and not finaled. We became aware of this in late 2021. The contractor - Rez Electric - just completed the installing all of the necessary electrical that was required for permit EL17-0058 - hardwired smoke detectors, an extra outlet in each bedroom, and exterior outlets in the front and back of house.

Drain Piping Sewer Replacement via Pipe Bursting 4 inch Pipe to 4 foot Depth 20 foot min

Emergency SS repair - The hole being open this long is causing more of a safety issue. We are not changing, rerouting nor adding anything. We simply dug, replaced like for like with approved up to code bands that your inspector would have to inspect and sign off on, and nothing more.
