Department of **Community** Development

CODE ENFORCEMENT

A Shared Responsibility

*"Beautiful communities
do not happen by
chance"*

VISION

The Department of Community Development Code Enforcement team envisions a Tukwila where every property is a beacon of community *pride*. Through community *collaboration* and shared *responsibility*, Tukwila is the *Community of Choice*.

MISSION

The mission of the Tukwila Code Enforcement Team is to gain compliance with the Tukwila Municipal Codes, that directly relate to the conditions existing on private property, through public awareness, communication, and cooperation. The Code Enforcement team *works with community members to provide information, resources, and collaborative efforts* to help bring properties into compliance.

The Tukwila Code Enforcement Team works to support a safe, inviting, and healthy environment for residents, businesses, and visitors.

HOW DOES IT WORK?

The Tukwila Municipal Code represents the City of Tukwila's laws adopted by the Tukwila City Council. Code Enforcement is responsible for enforcing the parts of the Code that relate to conditions of private property.

Our Code Enforcement Officers respond to complaints and encourage compliance with the Tukwila Municipal Code. Some of the most frequent issues addressed by Code Enforcement include:

TRASH & DEBRIS WEED OVERGROWTH

JUNK VEHICLES PARKING

GRAFFITI

If a violation is found, a case is opened. Our team works with property owners to reach compliance. Compliance is typically reached through promoting public awareness, communication, and collaboration.

We encourage community members to reach out to our Code Enforcement Team with any concerns they may have related to private property code compliance.

WHO TO CALL...

Code Enforcement handles many different types of issues but not all.

to report issues related to:

AIR QUALITY

Puget Sound Energy - (206)205-4394

to report issues related to:

ELECTRICAL WIRES

YOU CAN HELP!

It is up to all of us to become stewards of our community. Beautiful communities do not happen by chance. It takes a community working together and sharing the responsibility.

UNDERSTAND the connection between crime prevention and neighborhood pride. Keeping our neighborhoods clean and neat has a direct effect on the level of crime experienced here.

ORGANIZE. Many community issues can be resolved easily if the neighbors know each other and help each other.

GET INVOLVED. Attend City Council meetings or contact your Council members to let them know what you would like in the way of changes or improvements in your neighborhood and the city at large.

VOLUNTEER! Couldn't we all use a hand from time to time? Strong communities are made of neighbors that care about each other and help each other out.

BELIEVE that together, we can make Tukwila an even greater place to live and work.

YOU CAN MAKE A DIFFERENCE!
