Generally, the PC meets on the fourth Thursday of each month (2nd Thursday in November and December) at 6:30 PM but during times of heavy workloads one or two additional evening meetings may be scheduled per month. Material to be considered at the meeting (staff reports, drawings etc.) is distributed on the Friday prior to the meeting. Applicants must provide an email address at which they can receive meeting notices and materials.</p> <p>Due to COVID all meetings are currently being held virtually but will eventually transition back to in-person meetings held in the City Council Chambers. All applicants must live within the City of Tukwila except for candidates for the one seat on the Commission reserved for a business community representative. Though prior experience is not required to serve on the Planning Commission any experience you may have with landscape design, architectural design, land development, environmental processes, civil engineering, transportation engineering, policy analysis etc. may be helpful. Commissioners speak from the dais during hearings and deliberations so comfort with public speaking is important. For more information about the Planning Commission see <http://www.tukwilawa.gov/departments/mayors-office/boards-and-commissions/>.

All City of Tukwila volunteer Boards & Commission members are subject to a comprehensive background screening. The Mayor will review the applications and may interview candidates before the Mayor makes a nomination to the City Council. The City Council then votes on whether to confirm the appointment.
