

# Schedule a Fire Inspection

**NOTE:** If scheduling a **Fire Alarm** inspection, please ensure your documents are already loaded into [Brycer TCE](#) prior to following the steps below. If they are not loaded into this engine, your inspection will be cancelled.

Log onto the City of Tukwila **CONSTRUCTION PERMITS PORTAL** and click on **Search for Construction Permit**

The screenshot shows the 'PERMITTING' section of the City of Tukwila portal. The header includes the City of Tukwila logo and navigation icons. A sidebar on the left has a 'Home' link and a highlighted 'Search for Construction Permit' link. The main content area is titled 'PERMITTING' and contains the following text: 'To apply for permits, schedule inspections, and review the status of permits, users must log in.', 'To create an account, select the New User icon in the upper right hand corner of the screen.', and 'If you already have an account, please log in.' Below this is a link for 'Instructions & Guides' and contact information for the Permit Center. To the right, there is a graphic with the slogan 'Building Tomorrow One Permit at a Time' and an illustration of a house under construction with a warning sign. At the bottom, there is a disclaimer and a footer with contact information.

Enter your Permit number, and select “Search”

The screenshot shows the 'Search for Construction Permit' form. The header includes the City of Tukwila logo and navigation icons. The sidebar on the left has a 'Home' link and a highlighted 'Search for Construction Permit' link. The main content area is titled 'Search for Construction Permit' and contains a search form with the following elements: 'Search By:' dropdown menu set to 'Permit Number', 'Search Criteria' section with a red asterisk indicating required fields, a text input field for 'Permit Number' containing 'F23-0082' with a green checkmark, and a blue 'Search' button. Below the form, there is a disclaimer and a footer with contact information.

## Click on "Schedule Inspection"
