To schedule an Inspection

Log onto the City of Tukwila permitting portal, [https://tukwegov.aspgov.com/BP/home.html](https://tukwegov.aspgov.com/BP/home.html) and click on Search for Construction Permit

Enter your Permit number, and select “Search”
Click on “Schedule Inspection”

Available inspections will show on the screen. Select one, and Continue
Make a selection within the parameters shows. And select Continue.

Enter Contact number field staff can be reached at, and Finish

If the maximum number of inspections have been reached, you will get this message:

If you have additional Inspections to schedule, repeat steps 1 – 4.
