City of Tukwila has issued a Determination of Nonsignificance (DNS) for the following project:

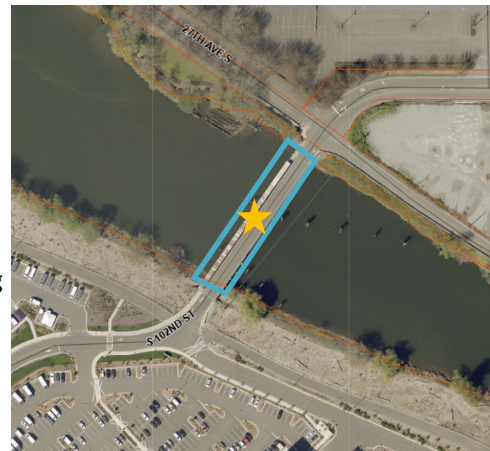

The project will repair the existing South Oxbow Bridge by strengthening the superstructure with supplemental steel girders and crossbeams, supported by new steel piles driven in the river adjacent to the existing bridge. Removal of existing timber piles is anticipated following transfer of load to the new substructure. The project will also remove obsolete upstream timber dolphins.

More information about the project is available online; visit

<https://tukw-egov.aspgov.com/PZ/index.html> and click on “Search.” To view this notice online, scan the QR code.

To view the threshold determination, comment on the project, request a copy of any decision, or learn your appeal rights, contact the Planning Division at (206) 431-3670 or Planning@TukwilaWA.gov. Mailed comments may be submitted to DCD, 6200 Southcenter Blvd, Tukwila, WA 98188.

Comments on this DNS must be received by 5:00 pm on 9/23/26.
