PERMIT APPLICATION NOTES

Value of Construction - In all cases, a value of construction amount should be entered by the applicant. This figure will be reviewed and is subject to possible revision by the Fire Marshal to comply with current fee schedules.

Permit Fees – If it is discovered while reviewing the application or plans, that additional permit fees are required. The applicant is required to pay those fees before the permit is issued.

Expiration of Plan Review - Every permit issued shall become invalid unless the work on the site authorized by such permit is commenced within 180 days after its issuance, or if the work authorized on the site by such permit is suspended or abandoned for a period of 180 days after the time the work is commenced. The Fire Marshal is authorized to grant, in writing, one or more extensions of time, for periods not more than 180 days each. The extension shall be requested in writing and justifiable cause demonstrated.

A COMPLETE APPLICATION WILL NEED THE FOLLOWING ITEMS

- All red asterisk fields are filled out
- Applicant information
- Contractor information if different from the applicant
- Fees have been paid for the type of Fire Permit that is requested
- All Plan submittals must include:
 - * 3 sets of scaled plans
 - * 3 sets of cut sheets if applicable
 - * 3 sets of calculations if applicable
