# Spring Intercultural Film Festival **2016**

*Watch. Feel. Understand. Discover. Discuss. Take action.*

With funding from the City of Tukwila's Equity and Diversity Commission, we are proud to host three films this spring to bring our community together around several of the most important issues in Tukwila schools: Positive discipline, homelessness, and refugee crises. All films will be shown at Foster High's Performing Arts Center, 4242 S. 144th St. Refreshments will be at 2:45 p.m., followed by an introduction and critical questions at 3 p.m., and **the movie will begin at 3:30 p.m.** Come ready to take a deeper dive into the human-side of these issues and to discuss how we can move forward in our own community to better serve all students. Oh, and we will eat lots of popcorn, too!

## Wednesday, March 30: "Paper Tigers"

An intimate look into the lives of students at an alternative high school in Walla Walla that specializes in educating traumatized youth, and how positive discipline has turned a culture of violence, drugs, and underachievement into a college-bound sanctuary for teens.

## Wednesday, April 13: "The Homestretch"

Three homeless teenagers in Chicago fight to stay in school, graduate, and build a brighter future. These teens struggle with poverty, race, juvenile justice, immigration, foster care, and LGBTQ rights ... all while trying to access the education to which they are entitled.

## Wednesday, May 11: "Refugees of Shangri-La"

From Bhutan to camps to exile to resettlement—meet the refugees involved in a human-rights crisis that has gone largely unrecognized. Bhutan's international reputation is of "Gross National Happiness," but its 75,000 exiles tell a much different story of cultural persecution.
