

# Backyard Wildlife Festival & CommUNITY 5k

## May 11, 2019

The annual Backyard Wildlife Festival celebrates backyard habitats and the outdoor space we live in. The event features music, art, talks with local experts, educational exhibitors, arts & craft vendors, and native/garden plant sales to help folks create spaces that attract birds, bees, butterflies and other native animals.

The CommUNITY 5k Run and Walk creates a special experience along the beautiful Duwamish River Trail. Participants will keep an eye out for wildlife and take in the scents of spring while enjoying beautiful views of the Duwamish River.
