

Capital Improvement Projects 2015

| | |
|---------------------|---|
| Division: | Surface Water |
| Project Name: | East Marginal Way S Storm Pipe Replacement |
| Location: | East Marginal Way S from S 120th PI and S 126th St |
| Description: | The existing storm pipe is failing in several sections and has reached the end of its serviceable life. Failure of the pipe will lead to localized flooding and property damage. |
| Funding: | Surface Water Enterprise 412 Fund |
| Project Status: | Construction began July 2014 and substantial completion on 4/10/15. |
| Estimated Timeline: | Construction should be complete by November 2014. |
| Project Number: | 91341201 |
| Project Manager: | Mike Ronda |
| Last Updated: | 6/8/2015 |
