

## STORMWATER PERMIT UPDATE

### Public Meeting to Provide Input to 2021 Stormwater Management Program Plan

To meet the requirements of the City of Tukwila's Western Washington Phase II Municipal Stormwater Permit, the City's Stormwater Management Program is currently being updated. Tukwila's Public Works Department would like public input to help direct the updates. Please join us at a public meeting for an overview of the proposed changes on the following date:

#### Virtual Meeting Time

March 9, 2021

5:00 – 6:00 PM

### Microsoft Teams meeting

**Join on your computer or mobile app**

The Public Meeting agenda will include introductions, Phase II Permit requirements, discussion of proposed changes, and public comments. The City encourages residents, businesses and interested parties to attend this public meeting. Interested parties include city residents, business owners, engineers, planners, designers, contractors, and related professionals that live and/or work in the City of Tukwila.

If unable to attend and have comments, please contact the City's National Pollutant Discharge Elimination System (NPDES) Coordinator, Greg Villanueva, at (206) 431-2442 or [greg.villanueva@tukwilawa.gov](mailto:greg.villanueva@tukwilawa.gov). The current 2020 SWMP Plan and the 2019 Annual Report is available on the Tukwila's NPDES web page <http://www.tukwilawa.gov/pubwks/npdes.html> and the 2021 SWMP Plan and 2020 Annual Report will be posted once updated, but no later than May 31, 2021.
