## CITY OF TUKWILA 2024 STRATEGIC ARTS PLAN

In 2022 the Tukwila Arts Commission embarked on the creation of a new Strategic Arts Plan.

The Tukwila Arts Commission focused its work on how the commission will leverage Tukwila's Public Art Program to accomplish the following:

- Create Community
- Develop Tukwila's Unique Identity
- Celebrate Tukwila's Diversity

The commission's work was community-centered and driven by the desire to have a Public Art Program that is responsive and serves the needs of all Tukwila residents.

In support of the development of an inclusive Public Art Program, the Tukwila Arts Commission held three 2-hour community listening sessions where input and ideas were gathered. These valuable community insights form the heart of our plan.

The Tukwila Arts Commission thanks the community for helping us to create the roadmap that will lead the City of Tukwila and its residents toward a more vibrant and creative future.
