Deductions (the following items may be deducted from the total gross revenue)

1. That part of the total gross revenue derived from business the City is prohibited from taxing under the constitution or laws of the United States and the Constitution or laws of the State of Washington.
2. Income derived from that portion of network telephone service, as defined in RCW 82.04.065, which represents a charge to another telecommunications company, as defined in RCW 80.04.040 - for connecting fees, switching charges, or carrier access charges relating to intrastate toll telephone services; or for access to, or charges for, interstate services; or charges for network telephone that is purchased for the purpose of resale.
3. Adjustments made to a billing or customer account in order to reverse a billing or charge that was not properly a debt of the customer.
4. Cash discounts allowed and actually granted to customers of the taxpayer during the tax year.
5. Uncollectible debts written off the taxpayer's books during the tax year. If subsequently collected, the income shall be reported for the period in which collected.

I hereby certify that the information provided on this tax return is true and complete to the best of my knowledge.
